The sessions will be run RAIN OR SHINE!!!!. Each player will be rated by their own skills, speed and field play.

Traveling soccer is competitive and results oriented. Participation requires a major commitment from the player and the parents – much greater than Recreational soccer. This commitment includes the time necessary to attend practices, league games, and tournaments. The team will decide the number of tournaments they want to play. Seasonal play starts in May and runs through the League Championships in late July. The games are played on *Monday and Wednesday OR Tuesday and Thursday* depending on the age, gender and class.

Complete the Registration Form

Please provide an email address and we will email the team placement and further information to complete team registration by December 1st.
